Subject: Invitation to Umbrella project's first Cross-border Conference with Policy Area Panel

Dear all,

We, Association of Polish Communes of Euroregion Baltic and the Regional Council in Kalmar County, on behalf of the UMBRELLA project management team, take immense pleasure in inviting you to attend the two-day Cross-border Conference with PA panel that will take place in Kalmar (Sweden) on 18th-19th September 2018.

The main objective of this conference is to provide beneficiaries with relevant information in specific thematic areas for the preparation of future project applications. This will be a first occasion to investigate the possibility of creating new projects to submit to the upcoming call for proposals in the South Baltic Programme in the field of Bioeconomy. To be able to do that, the conference will provide you with relevant information concerning the on-going discussion on Bioeconomy in Brussels, the objectives in the EU Baltic Sea Strategy, to end up with the support you can get from Umbrella-project in the project application phase.

Being the conference co-organized with the EUSBSR PA Bioeconomy- Agriculture, Forestry and Fisheries, participants will meet with experts in the frame of the EU Strategy for the Baltic Sea Region.

You can find the Agenda of the conference below, including the practicalities for your travel and accommodation.

Registration is now open at the following link: <https://bit.ly/2wjkeuP>

Should you need further details, don't hesitate to contact:

Jan Martinsson

Head of Baltic Sea Region Affairs
Regional Council of Kalmar County
jan.martinsson@rfl.se
Tel: +46 (0) 480-448795,
Mobile: +46 (0) 72-2231026

Valentina Scandola
